At this time of global pandemic, the health and well-being of all Pal-Am members is paramount in my thinking. Many of us are in the high-risk category for contracting the corona virus due to our age or pre-existing medical conditions. With this in mind, the 2020 Pal-Am Conference Committee and the Pal-Am Board of Trustees, agreed to cancel the 2020 National Conference and to refund in full, upon request all fees paid for registration, meals, and pre-conference events.

Although we are still negotiating with the Cincinnati Netherland Hilton regarding our contract, we hope to have it declared null and void with no financial penalties soon. It would have been a lovely venue for our conference. It is disappointing to cancel after all our work but it was the prudent thing to do.

Thank you to Linda Dietrich, Ohio Chapter President, for co-chairing the Conference, Lori Poch, Ohio Chapter Vice President, for contacting sponsors, vendors and exhibitors, Dave Kuhns, Ohio Chapter Trustee, for serving as Conference Registrar, Richard Hartle for handling publicity and Carol Swinehart, Pal-Am Web Master, for posting Conference info on our website.

TO ALL OUR MEMBERS

The health and well-being of all Pal-Am members is our highest priority. With the coronavirus pandemic still surging toward its peak in the U.S., we struggled with options for the 2020 Pal-Am National Conference. We knew very well that our decision would affect many of our members, some of whom have been preparing for this event for the last two years.

Since many conference-goers are considered to be at high-risk due to the age or pre-existing medical conditions, some registrants and others who previously planned to attend concluded that they could not do so. Ultimately, the 2020 Pal-Am Conference Committee and the Pal-Am Governing Board agreed to cancel the Conference and to refund in full, upon request, all fees paid for registration, meals, and pre-conference events. Refunds are sent via snail mail as soon as possible following a request. Requests for refund should be sent to palampresrn@gmail.com.

To those who made reservations at the Cincinnati Netherland Hilton, contact the hotel and cancel your reservation so that you will not be charged for the room.

We do not take this decision lightly and wish that we did not feel that we had to. But we need to be concerned about you, our members.

Be safe and be well,

Sincerely,

Roberta Newcomer, President
Palatines to America, Co-Chair 2020 Pal-Am Conference

COLORADO CHAPTER
PAL-AM
FALL MEETING
Saturday, October 16-17, 2020

The Colorado chapter was disappointed to have to cancel its spring seminar on March 13-14 due to the coronavirus. We were looking forward to welcoming Teresa Steinkamp McMillin. Our annual meeting was also to have taken place at that time, so we held a virtual annual meeting on Saturday, April 25. At the meeting, we elected a president, secretary, membership registrar and member at large as well as approved the 2020-2021 proposed budget.

On October 16 and 17, 2020 we will welcome Kent Robinson who will present four talks on October 17 on: *Key Essentials of German Genealogy – From Basics to Success.* He will present an additional program on Friday, October 16.

The Colorado chapter is excited to announce that it will host the Palatines to America national conference in June 2022 in Denver. Mark your calendars now!

Officers elected at the April 25th meeting include:
President: Chris Paris
Recording Secretary: Gina Moore
Membership Registrar: Yvonne Schaefer
Member at Large: Debbie Harrison

INDIANA CHAPTER
PAL-AM
FALL MEETING
Saturday, October 3, 2020

The Indiana Chapter cancelled our spring meeting for Saturday March 14 only two days before the meeting was to be held due to the concerns about COVID-19. Dr Roger Minert was our intended speaker, and he expects to deliver his presentations for us at a later date, perhaps Fall 2021. Dr. Minert did provide two successful workshops on deciphering old German handwriting which was held Friday March 13.

We have optimistically scheduled our Fall 2020 meeting October 3. Our speaker will be Teresa Steinkamp McMillin with four topics: 1) Life, Liberty, and the Pursuit of German Military Records; 2) He Took Her Name: Understanding German Farm Names; 3) Stymied by Stieglers: Solved Using Indirect Evidence; and 4) So, You’ve Found Your German Town of Origin, Now What?

We will try to arrange a virtual meeting if we are unable to hold a physical meeting. We are also planning to hold our annual business meeting virtually in the near future. The Chapter hopes to participate as an exhibitor for Pal-Am in the Annual Genealogy and Local History Fair at the Indiana State Library October 24, 2020. James Beidler will be our presenter for Spring 2021 on April 24.
NEW YORK CHAPTER
PAL-AM
FALL MEETING
Saturday, October 17, 2020

Our spring meeting was scheduled for May 2, 2020 in Buffalo, and our speaker was scheduled to be Dr. Michael Lacopo. Unfortunately we have had to cancel that meeting like so many other events because of COVID-19. We are excited that we have secured the same venue in Buffalo on October 17. In addition, Dr. Lacopo will be our speaker. We have been looking forward to his talks, and we are thrilled that he will be able to present them in the fall.

Our Bylaws require that we have a spring meeting because it is the occasion when we approve changes to our Bylaws and elect new officers. The board members at first were planning to have a meeting in Albany on May 23. That date no longer looks viable because of COVID-19.

We have decided to follow in the path of many other organizations and use Zoom as the venue for our meeting. We have been pursuing the idea of using communications software to provide more content to our far-flung membership. This will enable us to try out that concept.

The plan is for the Zoom meeting to start at 9:00 am (EDT) on Saturday, May 23. The first part will be the membership meeting. We have officer elections scheduled for President, Secretary, and one Director At Large; and we have to vote on a few modifications to the Bylaws. The membership meeting will be followed by a presentation by Garry Finkell and Bruce Romanchak. The presentation will look at unique events in the lives of their Finckel/Finkle ancestors, and it is entitled (tongue in cheek), Traitors and Criminals.

Specific details about the meeting will be emailed to New York Chapter members as we get closer to the meeting.

OHIO CHAPTER
PAL-AM
FALL MEETING
Saturday, October 24, 2020

News from the Ohio Chapter
Hello from the Buckeye State where we are awaiting Governor Mike DeWine’s press conference this afternoon to see his plan for re-opening our state.

At our online free conference call Board meeting this past Saturday, the Board decided to move forward with a new plan for our Annual Meeting, which was to be held at the National Conference. Using 21st century technology, we will be holding our voting for new officers and trustees, and budget approval for the 2020-2021 fiscal year, with an email ballot.

We are proactively planning for our Fall Seminar, in the hopes that we will be able to hold a gathering of that size in October. The registration form is included on page 6 in this issue of the Patter.

Sincerely
Linda Dietrich

2020 German Genealogy Fall Seminar
Saturday, October 24, 2020
8:30 a.m. – 4:00 p.m.
with Speaker Claire Gebben
Four Sessions:
Reading German Handwriting
A Hidden Heritage: German Immigrants to America
Creating a Legacy from Family Papers and Genealogy
For the Record: Writing Memoir and Family Stories

Claire Gebben is the author of a memoir and an historical novel and has had articles published in Your Genealogy Today (formerly Family Chronicle) and German Life magazines, among other publications. Her memoir How We Survive Here (2018) is the story of the discovery of several dozen letters written between 1841-1900 in Old German script by Claire’s ancestors, which propels her on a transatlantic quest to learn the truth about their lives. The memoir was honored as a finalist in the 2019 Next Generation Indie Book Awards. Claire’s novel The Last of the Blacksmiths (2014) is culled from those letters, based on the true story of German immigrant blacksmith Michael Harm, her great-great grandfather and co-owner of Cleveland’s Harm & Schuster Carriage Works. The Last of the Blacksmiths has been named a Notable Book at Cleveland State University’s Michael Schwartz Library, and Book of the Month by the German American Heritage Foundation. Claire worked in desktop publishing, ghostwriting, and communications before quitting her day job to write full time. An adventurer at heart, she enjoys hiking, bicycling, and even on occasion, blacksmithing. Currently, she’s working on an historical novel about Highland Scots immigrants to Ohio. PRESIDENT'S CORNER  Continued

In evaluating Pal-Am’s financial situation with Treasurer Gary Martzolf, it became clear that our highest expense is the Resource Center. Our current rental contract expires in December. So it seemed like this is the year to assess our use of the Resource Center, do an audit of our holdings and collections and explore our options. This is the charge of the Transition Team chaired by Past President Kent Robinson. A report of their activities appears on page 10.

I am pleased to announce that Karen Zimmerman, Indiana Chapter President, has agreed to become Membership Registrar. Her duties include keeping a roster of active members, processing new memberships and sending updates to the Chapter Membership Registrars. She is also responsible for sending new member packets and sending the membership list to the printer for the mailing of the Immigrant. Her bio appears on page 11.

Please note the new Post Office box for Membership:
  P.O. Box 531096
  Indianapolis, IN 46253

The Pal-Am Board continues our 45th Celebration by encouraging members to support Pal-Am by contributing $45 in honor of our 45th Anniversary. Thanks to John Harder, Director at Large, for chairing this project and Grace Saatman, Corresponding Secretary, for sending the notes of appreciation. If you have not yet donated, consider sending a check to Pal-Am, Box 141260, Columbus, OH 43214 or donate via PayPal on our website: palam.org

The list of donors appears on page 13.

FAMILY HISTORY LIBRARY RESEARCH TRIP
SEPTEMBER 20-27

In the current state of uncertainty with COVID-19 regarding future events, Pal-Am is still planning on their annual research trip to the Family History Library in Salt Lake City from September 20-27. A number of things must be done and coordinated in advance to make this event happen. We are unable to wait and see what the situation will be like a month or two from now to begin that process.

So, if you have any interest in visiting the largest genealogical library in the world for the purpose of furthering your research—German or other—I urge you to register for the trip. Since we are currently experiencing times of altered activity, I will point out a couple of items that may be helpful to you in deciding whether or not to go:

- Early-bird registration ends on May 31 (a savings of $25)
- Deposits refunded in full until June 15
- If our trip is cancelled after that date due to closure of the FHL or COVID-19 related circumstances, full refunds will be provided to anyone who had registered.

Final payment due July 31
We must submit a final rooming list to the hotel by August 20
We must cancel anyone’s hotel reservation to avoid a one night lodging charge by September 17

Although a few can be viewed at a local Family History Center or affiliate library, the vast majority of digitized records from Germany can only be viewed on the original microfilm at the Family History Library. In advance of our trip, please review your research and become familiar with applicable resources only available at the FHL.

From my own experience, most of the digitized records from Germany are only available for viewing from the original microfilm at the Family History Library,

I understand that it may be difficult to look even 5 months into the future while many of us are still under—or have just advanced from—“stay-at-home” orders for the last four weeks or so. Likewise, we do not yet know what the rules may be for such facilities as the FHL come September. I would fully expect that it will be a different experience to some extent than in the past. Therefore, we are providing these further details in an attempt to be as transparent as possible about how we intend to handle details for the 2020 trip. We would follow CDC guidelines in our activities. Finally, for anyone who registers and decides after the June 15 deadline not to go on the trip, full refunds will be provided except for a small handling and processing fee.

Palatines to America will continually monitor circumstances with regard to the status of COVID-19 between now and the date of the scheduled FHL Research Trip. We will cancel the trip, if it seems to be in the best interest of the participants taking into consideration the CDC and appropriate health authorities guidelines and recommendations at the time. We will attempt to make such a decision as far in advance as possible, however we realize that situations may evolve at the last moment.

We hope that you are using at least a portion of the extended time that you are at home to work on your genealogy.

We urge you and your family to follow recommended guidelines to stay safe and well!
Includes 7 nights at the Salt Lake Plaza Hotel (Sun. thru Sat.)—adjacent to the Family History Library. Travel to and from Salt Lake City is at each registrant’s arrangement and expense.

TRANSITION TEAM REPORT
RESOURCE CENTER - A PROPOSAL FOR THE FUTURE

A couple of months ago the Board of Directors received an e-mail from our President asking us to consider potential changes to the Resource Center - our business headquarters in Columbus, Ohio. This is the location where we conduct routine business - retrieve phone messages, respond to the mail, process memberships, pay bills, order print services for our publications (The Palatine Immigrant and The Palatine Patter), and other routine business functions. It is also the location of our archived society and membership materials that we have accumulated since our founding 45 years ago and where volunteers answer research requests regarding the various materials that have been submitted or donated by members past and present. Volunteers also work to create indexes to those submitted materials.

Her proposal for consideration was to either downsize or close the Resource Center at the end of 2020 when we would be obligated to sign a new 2-year lease. Her reason for making such a proposal was strictly one of fiscal responsibility. The new lease would require us to pay $1,000 a month for a facility that is utilized only eight hours per week - four hours on Wednesdays when volunteers come in to do some indexing and four hours on Thursday when the bookkeeper comes in to take care of financial transactions and a volunteer responds to research questions and provides additional services. Taking all of that into consideration, it seems like a lot to pay for such limited use. With rent and most service costs rising during a time in which all societies are faced with challenges to retain membership, it seemed like something logical to consider.

Initially interviews were conducted with representatives of the three largest German genealogy societies to inquire about their operating procedures. It was discovered that none of them had a physical office and most had never had one. So this seemed to make the proposal seem much more feasible to consider, particularly in the current day of enhanced technology. Kent Robinson led a Transition Team, consisting of Roberta Newcomer, Becky Thornton, Carol Chafin, John Harder, Tom Gerke, Janet Rupert, and Carol Swinehart, to fully assess this possibility. Aspects needed to be discussed and evaluated included what to do with the materials that are currently housed at the Resource Center: 15 filing cabinets filled with material of either genealogical or Pal-Am significance plus many linear feet of shelves filled with material in 3-ring binders. We needed to consider which materials should be retained as is, scanned and saved, donated, or discarded. We needed to survey the availability of smaller office space at a significantly reduced cost and/or the availability of a heated storage facility. Associated with such a decision, is a consideration of what activities can be either done from home by volunteers, crowd-sourced, or out-sourced.

An inventory of the holdings in all of the filing cabinets and shelving was done. Initial contacts were made regarding some potential office space and archives that may be appropriate for donation of some of our holdings. In mid-March, they met with a consultant who has experience with scanning, library materials, downsizing, and a number of archives to discuss the potential project. Unfortunately, COVID-19 hit shortly thereafter and has curtailed additional activity for the past six weeks.

We have changed to an Access database for membership processing. Karen Zimmerman, current Indiana Chapter president, created this system and began processing memberships from Indianapolis on April 1. This required the establishment of a new address specifically for membership. Please read more about this in our President's Corner.

The board will continue to evaluate options and move forward with a plan that will hopefully result in either a downsizing or closing of the Resource Center by the end of the year. If any of you have a good understanding with scanning projects and would be willing to provide guidance, please contact Kent Robinson at nekero@aol.com.
SUSANNE SPANGLER, Corresponding Secretary

SUSANNE SPANGLER has been engaged in family research for about 30 years. During that time she has focused on the following surnames: Spangler/Spengler, Hauenstein, Rapp, Steuer, and Roney. She has conducted research at the Family History Library in Salt Lake City, the Allen County Public Library in Fort Wayne and the State Archives of Ohio, Indiana, and Pennsylvania. She recently attended the inaugural conferences of the International German Genealogy Partnership (IGGP) in Minneapolis and Sacramento. A highlight of her research will be a visit to the birthplace of her great-grandfather Frederick Hauenstein in the Rheinland-Pfalz in 2020.

KAY MARIEA, Director At Large

KAY MARIEA has been doing family research for about 45 years. She has done research on surnames Lesher/Loescher, Mosser/Moser, and related Pennsylvania German names in Berks and Lehigh Counties, Pennsylvania; Beaver and Potts in Pennsylvania and Ohio; Schneeberger, Schroff, and Kirkmeyer/Kirchmaier from Tyrol, Austria, and Bavaria. She has visited the home areas for each of these ancestors and written histories of some of them. She has been a member of Colorado’s Palatines to America for 20 years and the editor of their newsletter for more than 15 years.

KAREN ZIMMERMAN, Membership Registrar

KAREN ZIMMERMAN is originally from southwest Iowa (Red Oak) where her ancestors arrived in the 1880s. She inherited her interest in local history and genealogy from her dad. His family had both maternal and paternal roots back to an English immigrant who arrived at the Massachusetts Colony in 1641. Her mother’s ancestors were almost all German Lutheran - except for an Irish Catholic branch who lived in Pennsylvania long enough to marry into the family.

She is a retired university librarian/archivist, now settled in Indianapolis with her husband (an Iowa German) after their career path took them from Iowa to Kansas to South Dakota, then back to Iowa before they landing in Indianapolis in 2004. Her library career was often dominated by databases and she developed a knack for organizing data in structured formats. She is happy to have the opportunity to use her skill set for the benefit of the organization.
Palatines to America 45th

The National Board of Directors has proposed that we celebrate Palatines to America 45th Anniversary. We encourage your participation in this celebration.

**Founding of Pal-Am** Palatines to America was founded in Columbus, Ohio on July 12, 1975. It began with a core membership of 47 persons. The three-fold purpose of Pal-Am is to promote the study of Germanic immigration to North America, publish information of general interest, and provide a platform for members to exchange information and share research.

**Benefits to Members** As a national German genealogy society, Pal-Am offers the following benefits to members:

1. **Publications** Two national publications (*The Palatine Immigrant* and *The Palatine Patter*) and several state chapter newsletters are issued quarterly.
2. **National Conferences** Every other year, Pal-Am hosts a National Conference. In each alternate year, Pal-Am supports the International German Genealogy Partnership (IGGP) Conference.
3. **Chapter Seminars** Seminars are held each year for the benefit of Chapter members.
4. **Research Trip** Each year, a group of Pal-Am members travel to The Family History Library in Salt Lake City, Utah to conduct individual research at the most prestigious repository of genealogy information in the world. The weeklong trip is organized and hosted by Pal-Am.
5. **Website** The Pal-Am website contains unique genealogy resources donated by members.
6. **Genealogy Experts** Genealogy experts who are members of Pal-Am are available to assist individuals in their research (there may be an additional cost).
7. **Access to Speakers** Nationally and internationally renowned speakers and authors (e.g., Annette Burgert, Ernest Thode, Roger Minert) are featured at National Conferences and Chapter Seminars.
8. **Workshops** Workshops conducted by Pal-Am experts assist members in their individual research.
9. **Ancestor Charts** Genealogy charts submitted by Pal-Am members, which include over 130,000 names, are available at the Resource Center in Columbus, Ohio. An index and other chart information are being digitized.
10. **Social Media** Facebook, You Tube and other social media resources are available for members to use to network with other genealogists and to view genealogy lectures.

**Current Status** The National Board is reviewing Pal-Am’s rich history, assessing its current situation, and developing plans to guide the organization into an even brighter future. Overall, Pal-Am is a healthy, well-respected genealogy society. Besides the National organization, it has six state chapters and around 1,000 members. Also, it is a partner society with IGGP.

We are looking into digitizing many of our physical resources (charts, maps, family trees, etc.) to make them more accessible at the Resource Center in Columbus, Ohio. An index and other chart information are being digitized.

**45th Anniversary Pal-Am Fund** During this 45th anniversary of the founding of Pal-Am, the National Board voted unanimously to offer members an opportunity to contribute to a fund that will allow the Society to maintain all its current benefits to members and to cover projected future costs. Making a financial contribution to Pal-Am, a 501(c)(3) organization, not only helps the organization, it offers a tax benefit to the contributor. This one-time appeal is for $45; nevertheless, you may donate more than $45 as some Board members have done as a commitment to our long-term success.

**List of Donors** Members who contribute to the 45th Anniversary Fund are being recognized in several ways. First, donors will receive a letter of appreciation, acknowledging their support; also, this letter states the tax deductible nature of the donation. Second, donors will be recognized in the *Patter* throughout 2020. Members who have contributed to the Fund as of our publication date are listed on page 10.

**How to Donate** There are two ways to donate to the 45th Anniversary Fund. A check can be made payable to “Palatines to America.” In the lower left corner, write “45th Anniversary Fund.” The check should be mailed to the National Office at: Palatines to America PO Box 141260 Columbus, OH 43214

The other way to donate is to go the Pal-Am website, [www.palam.org](http://www.palam.org). You do not need to go to the Members Only section. Instead, go to the Bookstore, select Donate, then Shop and Home. Click on the 45th Anniversary Donation tab and Add to Cart. Go to Checkout and use PayPal.
