PRESIDENT’S CORNER

Roberta Newcomer
palampresrn@gmail.com

June 5 kicked off a new year for our Society with the election of Gina Moore, Past President of Colorado Chapter, as our new National Vice President. Gina is in charge of the 2022 Pal-Am Conference to be held in Denver on June 17-18. Elected for second terms were Becky Thornton as Recording Secretary and John Harder as Director-at-Large. See all three bios on page 7.

A warm “thank you” to Vern Erickson, out-going Vice President, for his two terms of service on the National Board.

Palatines to America had a very active 12 months leading up to the 2021 Annual Membership Meeting in spite of the pandemic. Thanks to Vern Erickson’s coordination, National Pal-Am and the Chapters were able to use Zoom for numerous meetings and seminars, as well as smaller committee meetings. We discovered that many members who do not live near where Chapters usually held their seminars in the past, were able to participate this year via Zoom. We all were surprised at the large numbers who signed up for Chapter seminars. So, in a new way, we did business as usual.

Last October, National and Chapter representatives participated in the virtual Leadership Week-end sponsored by IGGP – The International German Genealogy Partnership – where we learned and shared with leaders from other German Genealogy Societies from the United States and other countries around the globe. In addition to folks from Germany, we heard from participants from Australia and Brazil! In May, a group of Board members from Colorado, Ohio, New York and Pennsylvania Chapters attended the “Focus on Societies,” a virtual day for Society Leaders, sponsored by the National Genealogical Society (NGS). The program titled “Communication to Members” gave us practical ideas, from ways to improve newsletters to how to recruit new members and keep volunteers.

HELP! LOOKING FOR PAL-AM CONFERENCE SYLLIBI

We are asking those of you who are long-time members and who have attended some of the early Pal-Am National Conferences to check the materials you may have stored away. A recent review of items archived in filing cabinets at the Resource Center seem to indicate the lack of a complete set of conference publications.

If you have a syllabus for any of the following National Pal-Am conferences we want to hear from you. Please contact Kent Robinson at nekero@aol.com:

1975 @ Columbus, OH [no formal presentations]
1976 @ Salt Lake City, UT [seeking syllabus]
1977 @ Indianapolis, IN [seeking syllabus]
1980 @ Indianapolis, IN [seeking syllabus]
1981 @ Normal, IL [seeking syllabus]
1982 @ Columbus, OH [seeking program and/or syllabus]
1986 @ Morgantown, WV [seeking syllabus]
1990 @ Kalamazoo, MI [seeking syllabus]

We would like to digitize the syllabus. Arrangements can be made to return the original copy to you, if you wish.

PALATINES TO AMERICA
FALL 2021 GERMAN GENEALOGY SEMINAR
Featuring Mark Rabideau
Will be presented virtually via Zoom
On Saturday Afternoon, October 9th
From 1:30 pm to 4:00 pm.

Mark has more than 20 years' experience researching genealogy. His website is www.many-roads.com, one of the internet's single, largest individually owned and managed repositories of Prussian genealogy source information (biased towards West Prussia, East Prussia, and Pomerania). The archives include maps, source documents, histories, guidance, and photographs. He has created and maintains one the internet's most robust Prussian (Germany, Poland, and Shoah) research support pages.

He is the author of hundreds of genealogy articles and is a frequent speaker to genealogy organizations on the Front Range. His areas of expertise include European Mennonite and Amish communities, French-speaking Quebec, Canada, upstate New York and Vermont, and southeastern Iowa.

TOPIC: RESEARCHING THE EASTERN GERMAN DIASPORA

Mr. Rabideau will focus on the German-speaking (non-slavic speaking) peoples of Eastern Europe and the factors that led to their emigration to America from these geographic regions: The Kingdom of Prussia, The Austro-Hungarian Empire, Germans from Russia, Russia and Prussian Poland.

Mr. Rabideau desires your input so that he can tailor his presentation to specific audience interest, experience, and research expectations. Therefore, he has provided a short survey, https://s.surveyplanet.com/8i_kV3iEq, for prospective attendees to complete and return to him no later than September 1st.

There will be ample time both during and after the presentation for audience questions.

SAVE THE DATE!
YOU DO NOT WANT TO MISS THIS SEMINAR!

There is a $25.00 fee to attend this seminar. The official registration form with payment details will be available in early July on the CoPalAm website: www.copalam.us. If you have any questions, please contact Yvonne Schaefer at copalamregistrar@gmail.com, or phone 719-477-1018 /or/ Jean West at igopack@gmail.com.
The meeting will be held at the historic and beautiful Theodore Roosevelt Inaugural National Historic Site (641 Delaware Ave., Buffalo, NY)

JOE LIEBY
"How attitudes toward our German ancestors changed during the Civil War and beyond."

CHRISTOPHER WHITE
Will use our presence at the Roosevelt site to help us understand how America (and its politicians) reacted to the presence of and treated German Americans during World War I.

After a lunch break, we will reconvene at the nearby (3-1/2 miles) Concordia Cemetery (438 Walden Ave.) to honor Capt. Michael Wiedrich, whose Wiedrich's Battery helped the Union keep the high ground at Gettysburg.

Roosevelt Site: On the 5th of September 1905, President McKinley was shot at the Pan-American Exposition and died on the 14th. Vice President Roosevelt, who was in the nearby Adirondacks, was rushed to Buffalo and inaugurated here at the home of his friend Ansley Wilcox.

Concordia Cemetery was originally founded for the burial of the German immigrants who moved to Buffalo in the early 19th century. It is a National Historic site, containing about 150 Civil War veterans and known for its beautiful Victorian era carvings.

Registration fee: $15.00 The portion of the meeting held at the Roosevelt site will be hybrid with members able to attend in person or via Zoom. Registration information at palamny@gmail.com

German Immigrant Letters to Home Villages, 17th to 19th Centuries
The German portion of my new research on four centuries of forced and
free transatlantic migrations.

Making Connections: A Thirty-Year Project to Find Immigrant Origins
Part I: Alsace (Lau/Low)
Part II: Württemberg (Vogelmann/Fogleman)

My family research on immigrants from
central Europe to North Carolina via Pennsylvania in the mid-18th century, divided into two parts.
The two stories are quite different, as the families emigrated from different places at different times and under different circumstances.

They met in Pennsylvania, before moving together to North Carolina in the 1760s. Moreover, the methods I used for discovering their home village origins were quite different, as were the experiences encountered when visiting each place a few years ago.

*Currently we are planning this to be in-person, but subject to change should the State of Ohio guidelines in regards to COVID-19 change.

INDIANA CHAPTER REPORT

We had a small group attend our recent Collaborative Learning session. This was our first virtual "crowdsourcing" event. Several attendees posed specific research questions and others provided suggestions for helping with further research on the topic. The format of this experimental virtual live chat session worked well enough to encourage us to consider future similar sessions.

Dr. Roger Minert is currently in Germany with his wife on a church mission, so our Fall Meeting Saturday October 2 will again be a virtual webinar. He will be presenting four topics as listed on our flyer (p.4).

Progress continues to be made with regard to Project PANDA (Pal-Am National Digital Archives). Although actual scanning of documents has not begun, the filing system has been tested and modified. The project coordinator spent fifteen days at the Resource Center recently sorting documents and preparing several record groups for the scanning process. The scanning process will begin soon on a select group of records to test the overall process that has been established to determine what modifications, if any, should be made before we begin the scanning of a more complex group of documents. The scanning will proceed in at least four phases:

Phase 1: Pal-Am society records (anything related to the activity of the National society and/or state chapters - that has not been retained in binders)

Phase 2: Pal-Am national board minutes and chapter newsletter (currently in binders)

Phase 3: Genealogical records - these include a variety of collections that have been donated to Pal-Am and indexed by volunteers.

Phase 4: Additional genealogy records which have not yet been indexed will be reviewed with regard to legal and ethical issues to determine their utility

While the entire project is viewed as a multi-year process, we are hopeful that much of Phase 1 can be completed by the end of 2021. The purpose of proceeding in this order is to prioritize those documents that will result in the greatest reduction of the number of filing cabinets required for future storage. During the project, attention will also be directed to any necessary updating of processes that are currently handled by volunteers or the former employee who recently retired to insure that all inquiries and requests are properly addressed.

Please see the additional article related to our request for past conference syllabi which you may have in your possession.

This has been a busy, if virtual, year for the Colorado Chapter of PALAM. Last Fall and this Spring we hosted seminars on Zoom featuring speakers Kent Robinson and Teresa Steinkamp McMillen.

The Colorado Chapter will be hosting a Fall 2021 Seminar October 9, 1:30 – 4:30 PM Mountain Time (3:30 – 6:30 PM Eastern Time) featuring speaker Mark Rabideau. Please see page 5 for details and registration information.

The Colorado Chapter will be hosting Pal-Am’s 2022 National Conference in Denver on June 16 – 18 at the Hilton Doubletree Denver. Gina Moore, Colorado Chapter secretary and recently-elected vice president of the National Pal-Am Board, is chair of the conference and has been working hard to make it a unique experience. Our speakers will include Dr. Wolfgang Grams of Oldenberg, Germany and Daniel Jones of Salt Lake’s Family History Library. On Thursday (the first conference day), we will host a guided bus tour of historic German sites of Denver, ending with lunch and a presentation at the Tivoli Brewing Company Tap House restaurant. Tivoli is Colorado’s oldest brewing company and dates back to 1864 during Denver’s early years. The brewery building is on the National Register of Historic Places and the Colorado State Register of Historic Properties. We have already held two planning meetings for the conference by our CO Pal-Am Board and have another one coming up on August 12.
MEET YOUR BOARD
Elections were held at the Annual Meeting on June 5, 2021

Vice President
Gina Moore

Gina Moore is a native of Denver, Colorado. She graduated with a B.A. in history cum laude from the University of Colorado and holds a J.D. from the University of Denver, where she competed on a regional-champion moot court team and served as Editor-in-Chief of the Denver Journal of International Law and Policy.

After practicing law for twelve years, Gina “retired” to care for her three children who are now adults. Gina began researching her family history about 14 years ago. She has many Pennsylvania German ancestors on her mother’s side. She had mid-19th century German immigrants on her father’s side until DNA revealed some different lineage, which resulted in the loss of those German ancestors and the acquisition of a whole host of Norwegian ancestors.

Gina joined Palam in 2009 and joined the Colorado chapter board in 2010 as Member-at-Large and delegate to the Colorado Council of Genealogical Societies. She served as Vice President and Program Chair from 2012-2015, as President from 2015 – 2020, and currently serves as Recording Secretary. She is also the chairman of the 2022 Pal-Am national conference to be held in Denver. She belongs to four lineage societies, with a fifth application pending, as well as several genealogy societies.

Director at Large
John Harder

John and his wife Mildred live in Independence, Missouri. They have been members of Pal-Am for over 12 years, belonging to New York, Ohio, Indiana, and Pennsylvania chapters. Additionally, John is a member of the Kocherthal Circle. He currently serves on the Pal-Am National Board as a Director-At-Large. John has a B.S. and M.S. in Mechanical Engineering as well as an M.B.A. He managed the design and construction of power plants, using solar, natural gas, oil, and coal.

He and his wife have traveled to the Family History Library in Salt Lake City with the Pal-Am group many times. They attended the IGGP Conference in Minneapolis and many national Pal-Am Conferences as well as chapter conferences. They belong to several local historical societies. They were able to visit John’s ancestral village (Klosterkumbd) in the Rhineland Pfalz where they met two of his eighth cousins.

Recording Secretary
Becky Thornton

Becky has been elected to continue as Recording Secretary for the national board. She has been a member of Palatines to America for 30 years. Currently she is also the editor of the Palatine Immigrant, our quarterly journal. Her interest in genealogy started with the influence of her grandmother and her parents.

Her German ancestors are primarily from the Odenwald, Wetzlar and Hesse-Darmstadt.

PRESIDENT’S CORNER (Continued from page 1)

The pandemic has also been a time of changes for Pal-Am. We closed our Resource Center to protect our volunteers as well as the public. After receiving notice of a hike in rent, the National Board began discussing options and decided that downsizing is the best option. We had hoped to begin scanning paper files in March in order to eliminate some of our metal file cabinets, but a resurgence of the virus in Columbus resulted in a delay. Immediate Past President Kent Robinson has been organizing the Society files and, without any further setbacks, the scanning of those documents will begin soon. The long-term goal is to scan our genealogical holdings, for example Ancestor charts, and put them under the Members Only Section of our website – but that will not happen this year.

Another change was that our long-time bookkeeper, Pat Uhrick, retired. Treasurer Gary Martzolf is now paying our bills and Tom Gerke is picking up the mail and filling the bookstore orders. After many years of volunteer service to Pal-Am, Mary Hess decided to resign from her position as Awards Chair on the National Board. Susanne Spangler, Corresponding Secretary, has agreed to take over as Awards Chair. Our thanks to both women for their loyal service to Pal-Am.

I am so pleased that we were able to continue providing our membership with opportunities to learn more about German genealogy during this past year. But I am also excited about the possibility of meetings in person during this next year. We may not be shaking hands as we used to, but we will be learning and laughing together – face to face again soon. I can’t wait!

When we announced the plan for this year’s research trip, we knew there was a distinct possibility that it may not occur. However, we decided to proceed with cautious optimism and altered our typical refund policy so that it would not penalize anyone who cancelled regardless of when that occurred. Throughout the spring the library continued to be closed after other facilities in other parts of the country started the process of reopening. Then on June 8 some truly optimistic news was received when the library indicated it would begin a “phased reopening” on July 6. Initially the hours will be from 9 AM – 5 PM on Monday through Friday “with plans to extend to additional days and hours soon.” This information was passed on to all who had registered. This year’s trip will be dependent upon the situation with the library in early August which is the Pal-Am deadline for receiving a refund on our deposit. However, things finally do look potentially promising. So, if you would still like to participate in our research group at the FHL, please complete the registration form on page 11 and provide payment.
