

## MEMBERS' INQUIRIES

If your research in a particular area reaches the proverbial "brick wall," here is your opportunity to seek help from other PalAm members who may have the information you are requesting or can direct you to a possible source. Your help is greatly appreciated. If you would like to add a question of your own to this page, please contact Tom Hoffman at [webcoordinator@palam.org](mailto:webcoordinator@palam.org) and ask Tom to add your question. If your question has been answered to your satisfaction, please let Tom know so he can remove it. Tom's help is temporary until we can find someone to keep the Illinois Chapter page updated. Anyone interested? Please contact Tom.

If you want your query to also appear in the Illinois Chapter newsletter, please contact Ralph Kroehler at 6910 N. Rockvale, Peoria, IL 61614 or at [ralphkroehler@prodigy.net](mailto:ralphkroehler@prodigy.net)
